BOARD OF PUBLIC INSTRUCTION

Ocala, Fla., July 2, 1900.

The Board of Public Instruction in and for Marion county, Fla., met this day in regular session, with the following members present: B. A. Weathers, chairman, M. S. Moser and B. L. Hull.

Minutes of special meeting of June 18th were read and approved.

Mr. Geo. P. Bridges, supervisor of Blue Springs school, and Mr. John Brooks, a patron of same school, appeared before the board and protested against uniting their school with the Dunnellon school, showing that a majority of the patrons lived too far to patronize Dunnellon. It was ordered that a teacher be selected for the school and unless satisfactory arrangements could be effected to accommodate the pupils, that both schools be operated.

Mr. J. M. Mathews, supervisor of Flemington school, appeared and asked their salary be kept the same as last year.

After considering the matter and comparing the average and enrollment with other schools, it was decided that the salary would have to be reduced \$5 a month.

Supervisor of Wetumpka school appeared and asked for an assistant teacher. The same was refused and it was ordered the board will not grant assistant teachers to any school not already provided for.

Petition of patrons of Pine Grove colored school asking privilege to move school house and petitioning for lumber to build same was read. It was ordered that board could not furnish lumber, but granted them the privilege of moving same if the patrons or citizens will build house without cost to board.

F. P. Gadson, J. W. Dukes and F. K. Powers, colored citizens of Ocala, appeared before the board with a petition signed with twenty-two names, making charges against B. F. Hartwell as a teacher of the colored school and protesting against his appointment. The above named parties requested the board to defer the confirmation of B. F. Hartwell's selection by the trustees until they had an opportunity to bring the petition before the board of trustees. The same was granted.

In view of the fact that both Williamson and Lake Kerr schools are very small, and the board believing that with a house half way between the two sites both schools could be accommodated, it was ordered that the two schools be united and the superintendent instructed to visit the neighborhoods, select a site and make arrangements to have the Williamson school house moved and rebuilt.

R. B. Sutton, teacher, and Major Finley, supervisor, of Free stone colored school, appeared before the board and agreed to have their term of school cut short two months and the amount used in building a new house. On motion, the same was ordered and the superintendent was instructed to make arrangements for material and the construction of the new building.

The superintendent reported that the patrons of Hurricane Pond school had had a school meeting and selected Mr. Charlie Miller as teacher and Mr. J. H. Lanier as supervisor. Mr. William Blitch, the present supervisor, having resigned. He stated that a number of the patrons had asked him to hold the school open until after the September examination, as Mr. Miller would have to take the examination in September. After considering the request the board decided that it would be a new precedent to hold a school open for a teacher who had never taught, subject to an examination. It was decided that, in the judgment of the board, it would be unwise, and a teacher was ordered appointed to the school.

Mr. Alex. Geiger appeared before board and protested against the board running the Brunsell school within a mile or a half of the Marshville school and tendered his resignation as supervisor of the Marshville school. Mr. Geiger's resignation was accepted and Mr. Warren Milligan appointed to fill the unexpired term.

The superintendent was instructed to go to Romeo and Dunnellon and make arrangements to locate a site for uniting the Romeo and Dunnellon schools and build house for same and see if it was best to sell the old school house at Dunnellon or erect a new building, which the sub-district, if established, proposes to do.

Petitions from one-fourth of the registered voters and taxpayers of Dunnellon and Fannville asking the board to call elections for creating special tax school districts, having been published four weeks according to law, it was ordered that elections be called to be held at both of the above named places on Thursday, August 2, 1900, for the purpose of creating special tax school districts and electing three trustees for each district and fixing the rate of millage to be levied and collected for school purposes for the

THE PEOPLE WHO HANDLE EVERYTHING.

Women Who Work

Nine out of ten women are afflicted with some of the common ailments known as female diseases. Among women whose employment requires them to stand on their feet or sit in the same position all day, not one in twenty-five escape these troubles. The average feminine constitution cannot, unaided, withstand the strain to which steady, trying work subjects them. The organs of womanhood are so delicate and finely adjusted that the inevitable result of constant standing, lifting, stooping or straining is displacement of vital parts. The disorder is usually slight at first, but soon develops into irregular or painful menstruation, leucorrhoea or falling of the womb. Wine of Cardui is the right remedy for female weakness. As such it is offered to you. Wine of Cardui will not perform miracles, but it will, if taken as directed, insure painless and regular operation of the menstrual function. It will drive out every trace of leucorrhoea, and will so strengthen the ligaments that falling of the womb will be an impossibility. Don't think it would pay you to try a medicine with such a record as that? You can get a \$1 bottle of Wine of Cardui at any drug store and use it in the privacy of your home.

WINE OF CARDUI

Townsend, Ga., May 18, 1899.

I have been in bad health with falling of the womb, weak back, nervousness and heart palpitation. At monthly periods I would be in bed suffering great pain. Lately I have been taking Wine of Cardui and Theodor's Black-Draught, and they have brought me wonderful relief. I have no pain, and do not stop work at the monthly period.

Mrs. LUCY SMITH.

JOHN F. FORBES, President.

next ensuing two years. The superintendent was instructed to make all arrangements according to law for holding said elections.

The superintendent was instructed to notify the trustees of all special tax school districts that the county board will recognize and require them to conform with the school law, Chapter 1678 of the legislature of 1899, except that part relative to the county treasurer.

The appointment of teachers was then taken up. List of teachers will be given next week.

Reports and accounts amounting to \$163.98 were examined, found correct and ordered paid by warrants on county treasurer.

There being no further business, board adjourned to meet next Monday in August.

W. D. Carn, Secretary.
